**1986:- The Spring Bulb and Camellia Show and
The Australian Daffodil Championships- Sept.13th 14th**

The Schedule was changed considerably to recognise the classification of daffodils in 12 divisions. Classes for Miniatures and Decoratives were included. Growers from Victoria and Tasmania joined in competition, and there were visitors from WA, NSW and overseas. The program for the weekend kept everyone very busy. *(See overleaf)* and the list of Prize winners *(See overleaf)* indicates the strong support from visiting exhibitors, and enthusiasts. The tour was popular, and the dinner at the National Press Club was also enjoyed.

You may recognise some Victorians in the pictures below.
